

# AQUAID LIFELINE NEWS

FROM MALAWI, CENTRAL AFRICA

□ An enthusiastic welcome from some of the 175 children at our Bethel Orphan Centre in the Phalombe district of Malawi, just one of **Aquaid Lifeline's** 13 centres in the warm heart of Africa.

□ And a close up of two special friends.

□ Tiny orphan Angelina, tearful, sickly and very hungry. Brought to our children's village at Namisu by her desperately needy Granny.

□ **Progress!** Here's Angelina, secure and calm after enjoying time on our baby feeding programme.

Another little life rescued by **Aquaid Lifeline**. We will ensure that Angelina is never hungry again, never short of clothes, clean water or School fees.

□ We are thrilled by the success of Rose Bandula, one of our girls from 'Bethel' Orphan Centre (see top photos) Rose has been under our wing since 2004, passed her Senior Certificate of Education with credit, and completed Teacher's training. She now has a secure post in a Phalombe school with a bright future. The evidence is clear in her smile!

□ And this is Florence Chopenga, one of our orphans from Khombwe District. Florence is in her second year in a prestigious Teacher's training college in Lilongwe, the state capital. We look forward to Florence's graduation.

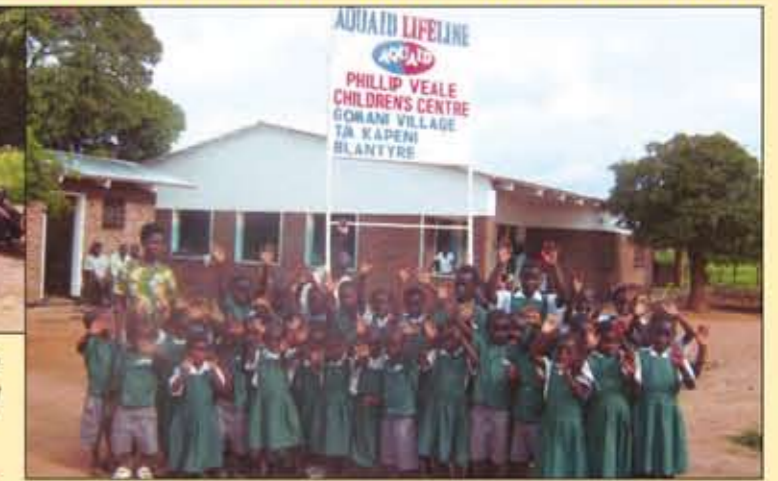

*These are just two of more than 500 beneficiaries of the **AQUAID LIFELINE** Orphan Care Programme and the number continues to increase, year by year. Grateful thanks to all supporters*

## A GRATEFUL TRIBUTE TO SOME OF THE GENEROUS PARTNERS IN OUR ENDEAVOURS

□ The ruined shelter where 54 orphans were being cared for by a group of gallant local volunteers with minimal resources.....

**And here's the answer** →

A fine centre, built in memory of Philip Veale, late member and friend of St Mary's Church, Hitchin. This project was inspired by Philip's widow, Lois, and is entirely funded, along with all running costs by donations from family friends and members of St Mary's Church. The centre now accommodates 150 daycare orphans, and 24 residents.

□ The orphan residence and adventure playground at Kambilonso, funded by the youth and members of St Andrews Church, Arbroath. Note the joined Malawian and Scottish flags featured on the gable! This magnificent playground was constructed by Fraser Dunphy, along with a youth team from St Andrews Church, who lived in this remote area on the Mozambique border until the job was done!

□ Glowing with health! Children from our orphan centre at Thyolo, a testimony to the love and generosity of St Andrews Church members and friends in Arbroath. 140 daycare and 24 resident children enjoy Scottish hospitality at Thyolo!

□ **With Love from Wisconsin USA!**

Our centre at Funsani where 22 resident and 160 daycare orphans are funded and nurtured by Springlake Church, Green Bay, Wisconsin.

Members of Spring Lake make regular visits to Funsani with medical supplies and clinical expertise.

□ Umodzi Clinic serves a needy and remote area at Namaritha, East Zomba. **Aquaid Lifeline** cares for 400 children at this project. The clinic and the primary school on this site were funded entirely by a Cambridge agency. City Stay continues to support Umodzi, for which we are grateful.

The **AQUAID LIFELINE** Fund offers grateful thanks for continuing magnificent support from **COOLERAID** U.K. Ltd. and the many other donors, which has enabled us to rescue so many and offer hope to those who had none. For further information Tel. John Searle, **AQUAID LIFELINE** Fund Co-ordinator, on (01223) 276710
